Dear Parents and Community Members,

Butterfly House Excursion
This term the students have been investigating 'Mini Beasts' in Science with Mrs Champion. As a culmination of our investigations we will be going to the Butterfly House on Thursday 12th June at 11:30. They will spend time in the indoor subtropical rainforest with a tour guide looking at the lifecycle of butterflies, complete puzzle activities and go in the maze. The cost of the excursion is $5 and we will need help with transport. Permission notes will go out next week. Parents helping with transport will need to be at school by 11:10.

Bongil Bongil Community of Schools Well Being Day
On Wednesday 25th June there will be a Community Wellbeing Day for the Bongil Bongil Community (Toormina District schools). The day will be held at Sawtell PS and will be attended by over 300 students. Years 3-6 will be attending the wellbeing day where they will participate in a number of workshops around resilience, striving for personal goals, confidence building and Rock and Water. We strongly encourage parents to attend as there will be something for everyone. Parents will have the opportunity to walk through a mini expo of professionals and organisations who offer an abundance of support. There will be prizes donated by CHCC and Coopers Surf Shop for parents who attend the 'EXPO'. A custom made surfboard donated by Shaun Cansdell is one of the many great prizes.

Reports and Parent-Teacher Interviews
Over the next few weeks the teachers will be assessing students across all KLA’s and writing Semester 1 reports. These reports will be handed out on Friday 20th June. In the coming weeks we will be sending out Parent-Teacher Interview slips. Interviews will be held on Thursday 26th June.

Shell Questacon Science Circus
On Friday, 30th May, Shell Questacon Science Circus visited our school. What a great show! The presenters entertained the children in a lively way teaching them about energy and flight. They investigated rockets, balloons, sound, vibration and many other wonderful experiments. Thank you to Simmo and Alice who presented the show and Shell Questacon for coming to our school.

National Data Collection
Schools across Australia are taking part in a national data collection on school students with disabilities. This data has been collected from schools in Australia since 2013. The aim of the collection is to have correct and up to date information about school students with disabilities. This information assists principals and teachers support these students. Last week all students were given a letter with more information about the data collection. If you do not want your child to be counted in the data collection, you must complete the paperwork and return it to school before the end of Term 2. Please contact the school if you have any questions.

Second Hand Uniforms
We have some second hand dresses, skirts and skorts available for sale. They vary in size and condition. Each item is on sale for $2. The uniforms are on display in the admin building. If you are interested please come in and have a look.
Lunch Orders
Lunch order bags are available at the office and need to be returned by Thursday of the week preceding the order as Lara will collect them from the school on Friday. Orders will be delivered on Monday of the next week. If you do not have a bag you can email Lara and Craig on claoslawson@gmail.com. Or send it in on paper. I have attached an order list for you to put on the fridge and it will also be available on the school website. This is not mandatory but available to those who choose to be involved.

Blog Posts
Don’t forget to regularly look at the school website and the blog. Students work is regularly posted with imbedded videos and links. Students in yr 4 – 6 have individual blogs where their work is posted. Please make comment if you like the students work.

Reforms to P&C Federation
Associations, which has suspended operation pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual school P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Associations. Each school’s P&C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation’s Annual General Meeting and councillors who will serve on the Federation’s Board of Management. More information will be available on the Department’s website at: http://www.schools.nsw.edu.au/gotoschool/a-z/involvement.php.

Crossmaglen Minecraft and Technology Club
Mrs Booth Minecraft and Technology classes on Wednesday afternoons from 4-5pm are proving very popular. Mrs Booth set a challenge and increased the difficulty which made the children work together and critically evaluate what they needed to do to save their avatars. The cost for Crossmaglen Students is $2 and for other community students is $5. The club is a fun way for students to work together to develop challenges/goals and skills using virtual world and digital technologies. Please contact the school if you wish to be involved.

Crossmaglen Playgroup
Playgroup is held at Crossmaglen School on Monday between 9am and 10:30am. If you are interested in joining please contact the school on 66534295.

MLC Tennis Hotshots Program
As we are a MLC Tennis Hotshots School you child is eligible for a free t shirt if they register and nominate our school. I have attached the Registration form. T shirts will be sent to school during Term 3. Forms must be in by 30th June.

Tony Polack Tennis
Tony Polack has begun tennis lessons for students in the Bonville/Crossmaglen area after school on Friday afternoons. Tony is the highest qualified coach in northern NSW. Places are still available for this term. Please contact Tony if you are interested. What a great opportunity for our community!
