Dear Parents and Community Members,

As this is my last newsletter at Crossmaglen Public School I would like to thank everyone for making me feel so welcome in the school community. I have thoroughly enjoyed my time at Crossmaglen. It is such a beautiful school and the students are eager to learn and support one another.

Pat, Emma and Kate are wonderful to work with and only have the best interests of the children in all that they do. The quality of work produced is outstanding and is a credit to the high level of expectation by each teacher. The programs we are able to offer students due to the skills of the teachers is far beyond any other school I have worked in. Thank you for your dedication to the children and their learning.

The SAS staff are wonderful. They have such a caring attitude to the students and their needs and complete their duties at a high level. Our new cleaner, Tracey who has taken over recently takes such pride in the school and it looks beautiful. Terry, our GA is always friendly and helpful with the students. He likes nothing better than to have a chat with them and takes great pride in keeping the grounds looking good. The personal attention Rom applies to the children is great to watch and I’ve seen them blossom under her care when delivering programs. Sarah has supported the school admin while Glenda has been away and has fit in so nicely. Glenda has been my rock. She has a great understanding of administration, finance and the local community. She has given me direction and taught me so much. I cannot express my gratitude to her enough.

I believe I have made many new friends in the local community and we have worked well together to make Crossmaglen an even better school. The beautification of the school and its buildings, financial support for programs and resources by the P&C and the general openness has been fantastic. I will miss the students the most. I have watched them develop their confidence in themselves as learners and strive to achieve the best they can do in every topic. I love the way they support one another in and out of class and are so proud to wear their uniforms and represent the school in the wider school community. They are all growing into young independent learners who are questioning everything and want to find out answers for themselves.

Thank you everyone for making me feel so welcome and for allowing me to share a small part of your children’s lives. It has been an honour to work with such a great school and community. It will always hold a special place in my heart.

Movie Day
As a reward for the students excellent behaviour and hard work this term we will have an end of term treat for all the students. We will be watching ‘The Indian in the Cupboard’ on Friday. We have been studying the novel during the term and will make a comparison between the book and the movie. We will also have popcorn. Mufti clothes may be worn.

A permission note was sent home with all details for the Small Schools Athletics Carnival, at Urunga Recreational Grounds on Wednesday 16th of July. Please see Sarah or ring the school if you need a new note.

If you or your child/children wish to purchase hot food on the day, please send the request with money to school by Tuesday 22nd June in a paper bag for each person, as the food needs to be preordered. There will be a limited amount of extra food available on the day.
