Dear Parents and Community Members,

School Photos

Classic Color Studios will again be visiting the school on Wednesday 20th August to take the school photos. School photo envelopes will be going home with today’s newsletter. If you also require a family photo, family envelopes are available at the school office. Please ensure that students are in full school uniform on the day.

Each student must order and pay with their own envelope. If you are paying by cheque, please make your cheque payable to Classic Color Studios (not the school).

Botswana CWA Meeting

Last Tuesday the children visited Bonville Hall for the annual CWA International Day. This year’s country was Botswana. The children enjoyed researching the people, environment, food, culture and animals. They worked together on group projects and presented them to the CWA members, Bonville School children, parents and community members. This was a wonderful opportunity for the students to socialise with children in their community. I’d like to thank Kim for providing transport on the day.

Garden Beds

The frost has finally gone and we are getting ready for Spring. We’ve bought a variety of herbs and vegetables for the children to use in our Friday cooking class. The children thoroughly enjoyed learning about how to prepare the soil, plant the seedlings and ongoing care to ensure a bumper crop in their garden.

Healthy Friday Lunches

We had a request for Vietnamese cold rolls which are very healthy and nutritious. The fillings consisted of chicken, carrot, cucumber, lettuce, mint and coriander. We made a satay dipping sauce from scratch. We would like to thank the Gibbons family for their generous donation of ingredients for the lunches and would also like to thank the Zullo family for providing their home grown oranges for Crunch and Sip and our Active After Schools Sporting program.

Mid North Coast Athletics Trials

This Friday five of our students will be competing at the Mid North Coast Athletics Trials at Coffs Harbour Stadium. We wish Aimee, Brooke, Tayla and Leon all the best in the relay, and Malakai in the high jump.

Times Tables

We’ve been working on some fun ways to learn times tables. Can you please reinforce the importance of learning this basic but essential skill at home. There are many resources available, for eg songs on Youtube, that make learning times tables fun and enjoyable.

Fundraising Cook Book

The P & C are compiling a range of recipes from our parents, staff and community. The recipes will make up a Crossmaglen cook book and will be sold prior to Christmas to raise valuable funds for our school. Please contribute by sending in your favourite recipes.
