Dear Parents and Community Members,

School Photos
Classic Color Studios will again be visiting the school tomorrow, Wednesday 20th August to take the school photos. School photo envelopes went home last week. If you also require a family photo, family envelopes are available at the school office. Please ensure that students are in full school uniform on the day. Late orders will not be accepted.

Each student must order and pay with their own envelope. If you are paying by cheque, please make your cheque payable to Classic Color Studios (not the school).

Healthy Friday Lunches
Last week we made yummy healthy salad rolls. The children chose their own fillings from a selection of produce that was provided by the Gibbins family once again. For Crunch and Sip this week the children tried snow pea sprouts and surprisingly enjoyed them.

Mid North Coast Athletics Trials
Our P6 relay team have now progressed to the next level to compete in Lismore in the not too distant future. Congratulations to all who competed on the day and represented Crossmaglen Public School. We are very proud of you.

Times Tables
We’ve been working on some fun ways to learn times tables. Can you please reinforce the importance of learning this basic but essential skill at home. There are many resources available, for eg songs on Youtube, that make learning times tables fun and enjoyable.

Fundraising Cook Book
The P & C are compiling a range of recipes from our parents, staff and community. The recipes will make up a Crossmaglen cook book and will be sold prior to Christmas to raise valuable funds for our school. Please contribute by sending in your favourite recipes.

Book Club Catalogues
Book Club catalogues will be going home today. Please have your orders returned by Monday September 1st. The last order should arrive any day now.

TERM 3 CALENDAR
Wednesday 20th August School Photos
Friday 19th September Last Day Term 3
Tuesday 7th October First Day Term 4

Kindergarten Enrolments 2015
We are now taking enrolments for Kindergarten 2015. If you know of anyone in the area who has a child ready to start Kindy next year, please let them know that we are now taking enrolments. We would like to commence some orientation days shortly with prospective students. Spread the Word!

Belly Dancing
This week’s belly dancing session involved improvising and the creative use of beautiful scarves. Boys and girls alike enjoyed learning new moves and expressing their “Inner belly dancer”. Thank you Kim for participating and busting out your moves.

**My Weekend by Joshua Zullo**

First thing I did was do some diorama and I started by getting a piece of paper and drawing a plan of what I should build and where. After that mum cut the box that I am using so I could build the diorama. Then in the newspaper there was a thing saying “Council steps up to push out Indian Mynas” something like that.

I then went outside and picked up sticks and little rocks then came back in and put them in a bag, then put the bag next to the diorama. I then got a blue and yellow piece of paper. Then I got some scissors and glue. I got the blue paper and stuck it on the wall of the box. I got the yellow paper and then cut out a sun kind of thing and stuck that on too.

Finally, in the centre of the diorama I am going to put trees up and rocks on the floor with Indian Mynas kicking other birds out of their nest and stealing their food. I will put all that inside the box with the information on the side of the box.
