Dear Parents,

I hope you are all well and looking forward to another busy week.

**Piano/Dance Performance**

Tomorrow (Tuesday) at 12.30 our students will showcase their awesome piano and dancing skills. The children have been preparing for the event so it would be wonderful if they could have an audience to perform to. Thanks to Leanne and Kelly for the great work they are doing each week!

**Bruxner Park Excursion**

Our Bruxner Park excursion is fast approaching. Please do your best to return the permission note as soon as possible. If you require a new one, just ask Glenda or myself.

**University of Newcastle Practicum Student**

Education student, Tori Weatherhead from the University of Newcastle will be completing a practicum at our school later this term. She will visit the school this Thursday to meet the students and then complete three full-time weeks from the 9th to 26th June.

**Reports and Parent/Teacher Meetings**

Reports are currently being completed and in the next few days I will contact each family to arrange a suitable time for our parent-teacher (PLP review) meetings in week 9.

**Professional Learning**

I will be attending two professional learning events this week and will therefore be out of the school on Tuesday afternoon and all day Friday.

I hope you all have a great week and a wonderful Queen’s Birthday long weekend.

Peter Rundle, Principal

---

**TERM 2 CALENDAR**

- Tues 2nd June: Piano Concert, 12.30pm
- Mon 8th June: Queen’s Birthday Public Holiday
- Tues 23rd June: International Day, CWA Bonville
- Thurs 6th August: Cyber Safety 6-7pm Bonville PS Library

---

**Cyber Safety for Parents—Bonville Public School**

Jo Brooker from the Coffs Harbour Police will be presenting a workshop on Cyber Safety for 'parents/carers' at Bonville Public School on Thursday 6th August (Week 4 of Term 3) from 6-7pm in the school library. The workshop will address online bullying, kids and social media and the law. Please let me know if you would like to attend as numbers need to be finalized as soon as possible.
Rainforests are very wet
Always rains in the rainforest
Insects are everywhere
Not much sun
 Frogs are jumping
On the floor are leaves
Rats are in the rainforest
Elephants are in the rainforest
Sun is not in the rainforest
Tiger is not in the rainforest
