Dear Parents,

Time is now officially flying by as I make last minute additions to school reports that will be sent home later this week. The remainder of the term is quite full with a number of excursions and events scheduled for the next 3 weeks.

Message from our Prac Student

Hello Students and Families,

As mentioned in last week’s newsletter, my name is Tori Weatherhead and I’m a student from the University of Newcastle. I will be here at Crossmaglen Public School for the next three weeks completing a practical component of my teaching degree. I look forward to meeting and getting to know you all throughout my stay at Crossmaglen.

Thank you

Tori

Parent/Teacher Meetings

Most parents have locked in a time slot for our Parent/Teacher meetings in weeks 9 and 10. I’ll send out an email with details in the next day or so as a reminder.

Piano/Dance Concert

Thank you to all the parents and community members who attended our piano and dance performance last week. It was a great turn-out and your presence was much appreciated. Thanks again to Kelly and Leanne for the great work they are doing with our students.

Basketball Workshop

Yesterday our school was lucky enough to be visited by Ken Lowry who presented an afternoon workshop on basketball skills. The students had a great time, learned some valuable skills and were left wanting more. Thanks so much for donating your time Ken.

NAIDOC Excursions

Recently you would have received a permission note for NAIDOC Week excursions. Our whole school will join with Raleigh Public School on Thursday 18th June for a day of activities, while on Monday 22nd June, students from Year 5 will join other Stage 3 students from the Bongil Bongil Community of Schools for a day of celebration at Bongil Bongil National Park. Please return the permission notes as soon as possible.

CWA International Day — Italy

On Tuesday 23rd June, our students will participate in the annual CWA Day with this year’s theme being Italy. Please return the permission note as soon as possible. Parents are invited to stay afterwards to sample some Italian cuisine created by the Bonville CWA ladies. If you intend to stay, please let the school know for catering purposes.

Bruxner Park Excursion

Less than a week to go until our Bruxner Park excursion. Please return the permission note as soon as possible.

Cooking

Last Friday the students made a lovely pasta dish, which is very timely as they begin to learn about Italy. The children are also learning a song about pasta which they will present to the CWA ladies on International Day.
