Dear Parents & Community Members,

Who would have thought cooking hundreds of sausages could be so much fun? I thoroughly enjoyed my shift working alongside Jason, and would like to say a huge THANK YOU to all those who gave up their weekend time and helped on the day (A special mention to Jamie-Lee for her moral support). Thank you also for all of your efforts in planning and organising a very successful fundraising event and thank you to the Gibbins family for donating the onions.

We raised over $1100 for the school which is a fantastic effort. What a brilliant school community we have!

Coffs Creek Excursion Postponed

Last night’s rain has brought a bit of relief for those of us on tank water, although with the good comes the bad and unfortunately our Coffs Creek/Botanic Gardens excursion has had to be postponed for now. It is proposed that the new date for the excursion will be Monday 7th September.

Coffs Harbour Council – Green Schools

Thanks again to Coffs Harbour Council for funding our new community herb garden. Our final report on the project will be returned to council this week. Once the garden is more established the produce will be available for community use. What a great initiative.

Pie Drive

Orders and payment are due in tomorrow for our Pie Drive fundraiser. Please return order forms and money to school tomorrow as Cindy will be in to collect them.

Outdoor Classroom

Hardwood timber bench seating for our outdoor classroom was ordered last week and should arrive in approximately one month. I can’t wait to utilise this fantastic part of our school grounds and look forward to lots of outdoor learning.

Fire Station Visit

Although the weather wasn’t kind enough to us to allow us to visit the Regional Botanic Gardens, we were still able to visit the Coffs Harbour Fire Station. It was a very interesting visit and the children were able to see first hand all of the equipment that is used by firemen when they have to attend an emergency. The highlight of the day was the fireman’s hose, and each student took a turn to hold the hose and feel what it would be like to put out an actual fire. I think we have some young fire fighters in the making at Crossmaglen!

Thank you to those who assisted with transport.

Spring Loaded

Spring Loaded Gymnastics will be on again tomorrow, our transporters will be Michele and Jaimie-Lee.
COFFS HARBOUR FIRE STATION EXCURSION
